## PROFESSIONAL SUMMARY

---

Editorial-led marketing professional with 7+ years spanning fashion media, tourism, and AI-assisted creative production. Former Chief Editor at I.T Apparels (2023–2025) directing editorial strategy and brand campaigns; previously lead storyteller for Hong Kong Tourism Board (Hello Hong Kong). Currently Co-Founder of PawsAid (2026) and developing RE/SENSE, an interactive narrative game, using React, generative AI, and character design workflows.

## PROFESSIONAL EXPERIENCE

---

### PAWSAID | Co-Founder & Brand Director

2026–Present

*Pet First-Aid Kit Brand*

- Co-founded pet first-aid kit brand with operations partner; lead brand strategy, business development, and marketing while partner manages e-commerce logistics and fulfillment
- Built brand identity, packaging architecture, and digital presence from zero-to-launch
- Drive B2B partnership outreach and retail positioning strategy for sustainable growth

### I.T APPARELS | Chief Editor

2023–2025

*Luxury Streetwear & Fashion Retail*

- Led editorial team of 8 copywriters producing bilingual content (EN/CN) for e-commerce platform with ~100k monthly visitors
- Directed trend analyses including “Rise of Blokecore,” Gothic Dark Fashion SS24, and runway coverage for A BATHING APE® FW24
- Produced and conducted interviews with designers including Markgong (NYFW FW25), Masayuki Ino of Doublet (LVMH Prize winner), and Subi Subez Yeti for Carhartt WIP collaborations
- Implemented SEO keyword strategies optimising product descriptions across 50+ sub-brands
- Aligned editorial calendar with Digital Marketing and Merchandising teams for hype drops and seasonal launches

### HONG KONG TOURISM BOARD | Senior English Editor (Contract via DDB Worldwide)

2022–2023

- Lead English storyteller for DiscoverHongKong.com and global social channels
- Worked on Hello Hong Kong, major tourism recovery campaign marketing content
- Established English-language style guide and QA process for internal team and agency partners

### AMBITIOUS PEOPLE GROUP | IT Sales & Marketing Recruitment Consultant

2022

- Full-cycle recruitment for tech marketing roles across Singapore
- Top Performer: Achieved highest KPIs company-wide (March, June, July 2022), averaging 28+ interviews booked monthly

### FLUSHED FLUSHED | Editorial Director

2019–2022

- Built beauty culture publication from zero to ~200 monthly readers through organic content strategy
- Managed CRM, social media growth, and community engagement across Facebook/Instagram
- Conducted interviews with industry leaders; managed end-to-end editorial production under tight deadlines
